To Whom It May Concern:

I am pleased to write a letter of recommendation for Joanna Quigley. I met Joanna over 3 years ago when she first started her business (Accounting Outsource Solutions), since then we have worked together on a variety of accounting related projects.

Joanna served as an outside controller for a mutual client, where she managed the daily cash flow, month end reconciliations and issued the internal financials. Currently we work together on a variety of clients, where Joanna provides me the monthly, quarterly, and yearly financials.

I am very pleased with the quality of work that Joanna performs as well as the service and attention to detail. This is why I highly recommend Joanna Quigley.

Sincerely,

Enrique G. Sanchez
